May 2018 – August 2018

It's the best time of the year to be a kid, SUMMER! As school concludes, many finalize their summer plans. My prayer is that the summer plans for your child involve the youth activities here at Woodland Oaks. Each event during the summer months is intentionally designed to give your child an opportunity to grow closer to God and to develop better relationships, both with Christ-like peers and adults. I want to encourage you and your family to make the most of the trips and camps this summer.

If you ever have any questions regarding the youth program please contact me at any time. Woodland Oaks is a wonderful place to be, and I am excited about what God has in store for us this summer and beyond.

Love you all,
