## Don't Quit

We are all running a race. It's not a 50 - yard dash. Some folks are able to run really well for a little while and they're really impressive- like a shooting star. But they flame out in just a little while.

Our race is not 100 yards; not the 440 or even the 880. And it's not on a level, graded track. You can't see the finish line . . . except in your mind's eye. The path is filled with obstacles – mountains to climb, rivers to cross, hidden pits (some of which are unavoidable), swamps, cliffs to climb, lonely deserts and some forks in the path that force you to choose . . . and lots of curves.

You're somewhere along the course on your path. Right now, you're dealing with something that makes your race difficult. However as much as you may despise hearing this – there is nothing you will ever encounter on your path that is unique. Paul reminds the Christians in Corinth, "No temptation (or trial) has seized you except what is common to man." – 1 Cor 10:13

You also need to know that whatever struggle you are currently experiencing has, in the past, caused some to become discouraged and quit; but others have faced the same obstacle and overcome it. Only you can decide if you quit or if you continue the race.

Surprisingly, the longer you run your race the stronger you become. You learn from each obstacle. God promises that there will never be any obstacle that is impossible for you to overcome. He promises that he will never leave you – so even when you feel alone, you're not.

Read God's promises in Romans 8:18-39. Read Hebrews 12:1-12 to learn what attitude is required to enable us to endure hard times. Read 1 Peter 5:8-11. In fact, when you think about it, all the epistles are written to Christians to encourage us to 1) stay faithful, to 2) warn against certain obstacles that have caused many to fall and to 3) motivate us to be confident that the reward at the finish line will be far greater than anything we've ever known. Don't quit!

-Ken Stegall

The **Youth Mission Trip** to Pharr, Texas will be Saturday, July 28 – Friday, August 3. We will spend the week working with area congregations on many different service projects and an established home building mission during the mornings and running a VBS in the afternoons. At the end of the week we will spend some fun time at Schlitterbahn (South Padre). We will stay in one of the churches mission centers which was purpose built to host mission teams. This area of Texas is one of the most impoverished areas in the United States which makes it a prime place to serve and allow students to experience a drastically different culture while remaining domestic. Please pray for this effort. This trip will be limited to 56 people due to the accommodation's occupancy capacity. Interested students are asked to sign up at the Welcome Center by Sunday, July 22. The cost is \$125 per person. More Info about the work can be found at:
