The Most Popular Bible Verses of 2025

BibleGateway reports the most viewed Bible verse on their website in 2025 was Psalm 23:4 which reads, *“Even though I walk through the valley of the shadow of death, I will fear no evil, for you are with me; your rod and your staff, they comfort me.”*

The YouVersion Bible app reports their most viewed Bible verse in 2025 was Isaiah 41:10 which reads, *“Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand.”*

Both verses have a common theme of fear and the need for comfort. They both address one of our deepest needs, the assurance that we aren't alone. This isn't surprising in a culture that praises individuality and stresses self-reliance, but at the same time is full of stress, anxiety and uncertainty. People want to know someone cares for them, loves them, and is there to help them. People need God and His Church. Through Bible study, prayer, and regularly gathering with your Church family, feelings like fear, stress, and anxiety are replaced with assurance and comfort. God put within us the pressing desire for deep relationship with Him and others.

I also believe these verses point to the truth of Jesus' words in John 4:35, *“Do not say, ‘There are yet four months, then comes the harvest?’ Look, I tell you, lift up your eyes, and see that the fields are white for harvest.”* Most people know they are missing something very important in their lives. What they don't know, is that Jesus is the only one who can give them everything they are missing.

God loves you!
Shawn
