Summer's Coming!

Last Sunday, all the youth group (7th-12th grade) parents sat in a meeting immediately after morning services to receive information about all the upcoming youth activities through the end of August. There are 26 activities scheduled from May 29th through August 30th. If my math is correct, there is some kind of youth activity, whether it's an evening activity or a week long camp, every 3.5 days during the summer. That doesn't include Bible class and worship on Sundays and Wednesdays. Aaron (our youth minister) and the youth deacons have worked hard to provide numerous opportunities for your kids to grow their faith and be around other Christian teens.

Concerning our younger kids, ages 0-6th grade, Janna (our children's coordinator) has done a lot of work planning numerous activities for them as well. There are 24 activities planned during the months of June, July, and August. That means there is an activity for your young children to be involved in every 3.8 days during the summer. Again, this doesn't include the opportunities of Bible class and worship for your children to learn and grow.

Parents, please don't let these spiritual activities go to waste. If you don't have the calendar of events for you children, please contact Aaron or Janna and they would gladly make sure you get it. I understand there are vacations, family reunions, and trips to see grandparents during the summer and your children can't be at all the activities. When you are home, you can make sure, you and your children are involved.

Adults, with all these activities there are numerous opportunities for you to volunteer to help and be involved in the lives of our young people. At Woodland Oaks we have 284 kids from 0-12th grade. That's almost 3 times the size of the average Church of Christ congregation in the United States. The LORD has blessed us abundantly with a wonderful group of kids. "Train up a child in the way he should go; even when he is old he will not depart from it" (Prov. 22:6).

God loves you!

Shawn
